

John P. Kilduff, Senior Vice-President, Energy

Mr. Kilduff is Senior Vice-President of Energy at MF Global Ltd. He is responsible for providing research, analysis, and strategies surrounding the global energy markets. In providing forecasting, advisory services, and price mitigation strategies, Mr. Kilduff's inputs include the consideration of global economic performance, petroleum industry developments, and geopolitical considerations.

Mr. Kilduff has previously appeared before the United States Senate Committee on Energy and Natural Resources to give an assessment of the energy markets. In addition, Mr. Kilduff is a contributor and energy expert for CNBC and appears regularly on the NBC Nightly News and the Today Show.

Mr. Kilduff has worked in the financial services industry for over twenty years. In that time, he has held senior positions at Fimat USA, where he worked for nearly a decade, ABN AMRO Incorporated, Metallgesellschaft Corp., and Lehman Brothers. Mr. Kilduff has a Bachelor of Science degree from Saint Bonaventure University and a Juris Doctor from Fordham University School of Law. He is a member of the bar in the State of New York and has professional registrations in commodities and securities.
