

## **Nariman Behraves, Chief Economist**

Nariman Behraves is Executive Vice President and Chief Economist, directing Global Insight's entire forecasting process. He is responsible for developing the economic outlook and risk analysis for the United States, Europe, Japan, China, and other emerging markets. He and his team of over 325 professionals were ranked by the *Wall Street Journal* in its annual ratings of top U.S. forecasters for 2006 as #3 (out of 56), and the only forecaster to place in the top six for 2003, 2004 and 2006. Behraves and his team were also ranked #1 in *USA Today's* 2004 list of top economic forecasters. Behraves is a graduate of MIT and holds M.A. and Ph.D. degrees in economics from the University of Pennsylvania, where he studied under Nobel prize-winning economist Lawrence Klein. He has been covering the global economy for over 30 years and has lived in Europe and the Middle East. He is fluent in several languages, including French and Italian.
