

MONDAY – FRIDAY 11A-12P
HOSTED BY MELISSA FRANCIS, TRISH REGAN & LARRY KUDLOW

90 minutes into the trading day, it's time to make "The Call" on the markets.

"The Call" is a full hour of analysis, discussion and debate now that the Opening Bell frenzy has died down. It's the time to take a closer look at all the information floating around the market -- economic, corporate and political -- and decide how to play the rest of the day.
