Now, as you may know, if Congress does not reach consensus on federal deficit reduction by the end of the current legislative session this month, then on January first 2013 there will be automatic across the board federal spending cuts equally divided between military and domestic programs. At the same time, income, payroll, capital gains, and estate tax rates would go back up automatically for all Americans. This is sometimes referred to as the fiscal cliff.

Q25 Are you optimistic or pessimistic that Congress will reach a consensus that would avoid the fiscal cliff? (IF OPTIMISTIC/PESSIMISTIC, ASK:) And are you very/somewhat (optimistic/pessimistic)?
