Subject: RE: Randy White Credential Verification

Mr. Bates,

I checked my files through the social that you gave me and it was the same person that you had requested verification for. He was only here for two classes and then left during our Fall semester of 1975. He did not graduate from our institution with a degree of any kind, and is also no longer in our computer system. I hope this helps in some way, feel free to contact me at any time with any further questions you may have

Subject: Randy White Credential Verification

I hope all is well with you.

I spoke with you last week in an effort to verify the credential's of Randy White.

I have called back several times but between your meetings and my travel schedule, I haven't been able to get back with you. I was able to get your e-mail address from one of your colleagues so I am hoping we'll have better luck this way.

When we spoke last week, you located the file of Randy White. You said that according your file, Mr. White only took a couple of classes in the fall of 1975 and then did not return to school. You also added that to be 100% sure that we were both talking about the same Randy White, you would need his social security number.

The Randy White I am trying to confirm credentials for has a social security number of

Mr. White is stating that he has a "Bachelor's Degree in Ministerial Studies and a Master's Degree in Divinity."

If possible, could you please verify and confirm whether or not Mr. White has either earned or been awarded these degrees.

I can be reached at the contact numbers below or via my mobile phone at

Thank you for your efforts.
