Dear Ms. Berry:

The City of Wasilla would like to thank you for your generous donation of our 2002 Arbor Day tree. It is a great honor to be named Tree City USA and to have you as a viable part of the Arbor Day celebration and our community.

We look forward to working with you in the future as we continue our Urban Forestry program. As always, we thank you for the support you give to the City in all its events you have graciously donated to.

Sincerely,

Sarah Palin
Mayor of Wasilla

Love the
best!
