Dear Msgt. Wilczynski,

I would like to commend you for allowing SRA Mike Wooten to assist the City of Wasilla with preparations for our 4th of July parade.

SRA Wooten worked hard to locate and deliver appropriate supplies to use in our parade so that we could properly celebrate America's independence. Mike went above and beyond to help our city prepare for our successful celebration.

I believe Mike is a fine example of the high-caliber personnel we are blessed to have in the United States Air Force. He was extremely helpful to our community and I thank you for allowing his assistance.

Sincerely,

Sarah Palin
Mayor
